FIRST IN RESULTS TO ADVERTISERS NUMBER 13

Legion Will Hold Armistice Day Programs

Americanism Observance at H. S. Nov 10; Parade Nov. 11

William Weber of Lake Villa will be the speaker at the annual program sponsored at Antioch Township High school by American Legion Post No. 748, in observance of the anniversary of Armistice Day.

Featured also in the "Americanism program," which will open at 2 o'clock, will be the school band.

Otto S. Klass, Americanism officer for the Legion post, is in charge of program arrangements.

An invitation to the general public to be present is being extended by the school and the Legion.

Parade Nov. 11

Members of the Legion post and the Sons of the Legion drum and bugle corps will parade up Main street on Armistice Day for services to be held before the Honor Roll in the Village park, Elmer M. Langosch, adjutant, announces.

Paper Salvage Drive Now Under Way

Saturday, Nov. 13, Is Curb Pick-Up Day in Antioch

The paper salvage campaign in Antioch got off to a fair start this past week with 1,500 pounds of paper turned in at the salvage station at the High school. Most people are preparing their paper and tying it up in bundles and holding it until Nov. 13, when they will place it out in front of their homes to have a truck pick it up.

The Future Farmers at Antioch High school and the pupils at Antioch Grade school have also started a campaign of their own.

Salvage Here to Stay

"It is a matter of national welfare and sound economy in time of war and peace for every individual to practice thrift in saving and salvaging every piece of metal, paper, rags, and every ounce of grease," stated C. L. Kutil, local salvage chairman.

"Remember Nov. 13 and have all waste paper tied up and on the curb early."

"Look around for all newspapers, magazines, cardboard, old books, rags, scrap metal, flattened tin cans, and turn them in. This campaign is especially devoted to paper collection, particularly cardboard."

Halloween Fete Proves Biggest And Best Yet

Children Parade Up Main Street; Enjoy Theater Party

Antioch's "biggest and best" Halloween parade in the ten years they have been held took place on Main street from the Grade school to the Antioch theater Friday evening.

Children taking part met at the school, where the line of march was formed, and paraded up Main street to music furnished by a band under the direction of Hans Von Holwede.

Lions Give Prizes

On arriving at the Antioch theater, where they were guests of Fred B. Johnson, manager, for a showing of "Dinner," they were judged for costume prizes. A total of \$25 had been contributed through the courtesy of the Antioch Lions club for the prize money.

Names of winners is given in the Grade school notes, published elsewhere in this issue.

The party is sponsored annually by the Grade school, the Antioch News and the Antioch theater. It has served as a precedent for similar Halloween parties in communities all over the country, and is enjoyed by the local groups quite as much as by the children.

Games were in play at a card game held by the Royal Neighbors evening, Oct. 26, in the St. Paul's Guild hall. Refreshments were served afterward.

Russell Keulman to Take Over Bernie's Tavern Here

Russell Keulman is taking over the management of Bernie's Tavern, 899 Main street, commencing this week.

He plans to retain the name of "Bernie's Tavern," for the present at least, for the establishment, which was operated by the late John B. Fields until his death Oct. 21.

Keulman has been associated with a number of local business and amusement enterprises, and is expected to make a success in his new venture.

News of the Boys in Service

A large committee of members headed by Robert Mann, general chairman, is busy making interesting plans for the affair, which is expected to be a highlight of the fall season. Tickets are already on sale, and may be procured from members of the club, the Lions officers state.

Antioch Office of Public Service Co. Has Grand Opening

Local Branch Is Established in Quarters at 900 Main Street

Many admiring comments are being heard from visitors to the newly-opened Antioch office of the Public Service company, at 900 Main street.

The new office occupies the space where Atkinson's restaurant (closed recently when John Atkinson, proprietor, received notification that he would be called into the armed service) was located.

It has been re-decorated in an attractive modern color scheme of soft greens and pale yellows, with touches of wood-brown and silver.

Well-wishers Send Bouquets

Huge baskets of chrysanthemums from well-wishers also adorned the office on the opening day, Monday.

Mrs. Howard Dibble, whose husband was employed at Lake Villa before joining the armed forces, is in charge.

The local office was established as a war-time convenience for gas and electric users in the Antioch area, it was announced by George Joedicke, district superintendent.

Antioch Red Cross Unit Calls for More Volunteer Workers

"Women living in rural communities do not have quite the same privilege of participating in war service work as is afforded to those living in larger cities, where one can serve in hospitals, recreation centers, camps, etc." comments Mrs. W. W. Warriner, new head of the Antioch Red Cross Surgical Dressing unit.

"However, we have one activity in Antioch which needs the assistance of every woman who can possibly give a few hours each week—the surgical dressing classes conducted by the local Red Cross.

"This work was started under the able leadership of Mrs. Edmund Voss just a year ago, and has become one of the most active groups in Lake county.

"In order to maintain an average attendance, volunteers are asked to designate the session—or sessions—which would be most convenient for them to attend. The rooms are open eight times each week—the added classes being planned to take care of the anticipated increase in attendance. Headquarters are open on Tuesdays and Thursdays from 9 a.m. to 12 m.; 1 p.m. to 4 p.m.; 7 p.m. to 9:30 p.m.; on Fridays from 9 a.m. to 12 m.; 1 p.m. to 4 p.m.

"The following women in the community have enrolled for the winter months:

"Mesdames W. E. Cooper, Herman Rosing, Henry Rentner, Ben Burke, Harry Krueger, Frank West, G. R. Bicknell, Irving Elms, Ernest Brook, Irving Breakstone, Arthur Trierer, A. H. Kaufmann, Roy Kufalk, Einar Petersen.

"May we have your name next week?"

(Editor's Note: Persons interested in helping in the work of the Red Cross unit may telephone the new chairman, Mrs. W. W. Warriner, at Antioch 40.)

Agricultural Director Will Be Radio Speaker

Expected to be of vital interest to farmers in this region is the talk which will be given by O. D. Brisenden, director of organization for the Illinois Agricultural Association, Monday, Nov. 8, on the WLS Dinner Bell program from 12 noon to 12:30. His talk will deal with the future of agriculture, according to word received by Ray T. Nicholas, Lake county farm adviser.

Village Will Continue Post War Era Plans

Improvement of Hillside Ave. from 173 to 59 Is Among Projects

The improvement of Hillside avenue from Route 173 through to Highway 59 was decided upon as a part of Antioch's post-war program, at a meeting of the village council Tuesday evening in the village hall.

The engineer who has been working on plans for this improvement is to be instructed to complete them. A number of other projects are also to be planned by the village for its post-war schedule, President George B. Bartlett pointed out.

A 20-foot spruce offered by Roy Pierce from his nursery was accepted by the council and will be planted at the rear of the Honor Roll in the village park. A blue spruce is also to be purchased by the village to replace one donated by C. K. Anderson, which has died. This will be placed to the north of the honor roll.

The treasurer, Mrs. Vera L. Renner, reported the village finances to be in excellent condition, with all bills paid to date, provisions made for future contingencies, and a favorable balance on hand.

A talk on the improvements made in resuscitation apparatus over the past two decades was given by George Joedicke, district superintendent of the Public Service Company of Northern Illinois, who was a member of one of the company's earlier first aid squads.

Gallstone Attack, Accident Bring 2 Rescue Squad Calls

Summoned to Fossland Monday Night; to Depot Street Saturday

The Antioch Rescue squad rushed inhalator equipment to the Fosslands restaurant and garage at Highway 41 and the state line Monday evening only to discover that the person believed suffering from a heart ailment was actually stricken by a gallstone attack.

Dr. I. L. Breakstone of Antioch attended the patient, a Milwaukee man who was traveling through, and advised his removal to a hospital. He was taken to St. Therese in Waukegan by the squad.

Saturday evening the squad answered a rush call to Depot street, where a light truck in which several young people were riding had swerved from the road after crossing the Soo Line tracks, struck and broken off a fire hydrant, and broken through a fence to slide down into a gully some distance from the road.</p

THE SACREDNESS OF HUMAN LIFE

LESSON TEXT—Exodus 20:13; Matthew 5:21-26, 38-45.
GOLDEN TEXT—Whosoever hateth his brother is a murderer.—I John 3:15.

Human life is sacred—and there is a very important reason why that is true. It is not because of any law of man, but finds its foundation in the fact that God created man in His own likeness and image. Because that is true, no man has any right to take the life of another for any cause except at the direct command of God. Only by the orderly process of law for the protection of society and in accordance with the Word of God may there be any such action by man toward man.

Both of these truths are declared in Scripture in God's covenant with Noah (Gen. 9:5, 6), which was made possibly a thousand years before the Ten Commandments were given to Moses.

One cannot deny that human life is held rather cheaply in many places today. War helps to create that attitude on the part of nations which makes them count boys and girls, yes, mere babies, as "war material."

But not only in war is life carelessly destroyed. We decry the "slaughter of innocents" on the highway, unnecessary death in industry, yes, even in the home.

I. The Prohibition of Murder (Exod. 20:13).

The word "kill" in this commandment is one which means a violent and unauthorized taking of life, and is therefore more properly translated "murder."

Not all killing is murder. A man may kill another entirely accidentally, or he may be the duly constituted legal officer carrying out the law of the land in taking the life of one who has forfeited his right to live because he has slain another.

There is also the right of self-defense, be it individual or collective as in war. But these are the only exceptions; let us not attempt to justify any other.

Murder is more prevalent than most of us suppose. Some years ago we were told that there was a murder every forty minutes in our land. With the general increase of crime, and of drunkenness (which so often incites murder), the current figures would probably show an increase.

Do not forget the deaths, the destruction of life, by avoidable automobile accidents. Some of these were really murder because the one responsible drove with defective brakes, dangerous tires, or while he was intoxicated. Add to these the deaths in industry caused by failure to provide proper safeguards or healthy working conditions, and by the exploitation of child labor, and we say that we should cry aloud, "Thou shalt do no murder."

II. The Provocation to Murder (Matt. 5:21-22).

Murder finds its provoking cause in the heart of man. Our Lord was concerned about correcting the desires rather than to apprehend the offender after the act had been committed. It is the better way, and the more effective one.

In this matter of murder, Jesus cut right through the outward aspects of the matter and pointed out that an angry hatred in the heart is the root of all murder. If we hate, we have murder in our hearts. Circumstances may hinder its fulfillment, but the danger is always there until we remove the cause.

Just being angry—calling our brother "raca" (the modern equivalent of which is "nobody there") and calling him "thou fool," which classifies him as "morally worthless"—these are the three dreadful downward steps to murder. And they begin in anger.

May God help those of us who have strong feelings that we may not yield them the devil in such anger against our brother!

III. The Prevention of Murder (Matt. 5:23-26, 38-45).

Prevention with God means more than putting up a barrier to keep us from killing. He deals with the heart, and thus puts the whole life right. It is not even a question of how we may feel against our brother. If he has aught against us we are to do all we can to win him. He may be unreasonable, grasping, and unfair. However, the spirit that will win him is not that of retaliation or sudden submission to the inevitable. Rather a free and willing going even beyond what is required.

It is clear from other scriptures that our Lord does not mean that wicked and unscrupulous men are to be permitted to defraud and destroy God's people. At the same time, we must be careful not to explain away the heart of our Lord's interpretation of this great commandment.

We who believe in Christ are to be dead as well as word the sons of the heavenly Father (v. 45), loving not only those who are kind to us but even our enemies.

Supplying FOOD FOR VICTORY on the Farms of Northern Illinois

An invention of Peter Baumann of West Chicago, this bale chute saves hours of hard work by sliding the bales into the elevator. The sturdy electric motor carriage was built from churn wheels, an old axle and scrap wood.

Fine feed for fine stock is the rule. Burney Rogne of Hinckley follows. His mill, run by a 5-H. P. electric motor, grinds all the grain for the farm's pigs and chickens.

This ½ horsepower chore motor does double duty on the Ben Wennlund farm at La Fox. Besides operating this homemade portable elevator, it also runs the water pump.

Backache eliminator is what Willard Mackinson of Pontiac calls this one-ton chick feed mixer; a three-horsepower motor runs it.

**FEEDING LIVESTOCK IS A BIG
WAR JOB... ELECTRICITY HELPS**

To attain maximum production of meat for America and her allies, proper feeding of cattle, sheep, swine and poultry is essential. And it's a big job, this raising and processing of grains for feed.

The portable chore motor does a bulk of the work in the many processing operations... fanning and treating... grinding and mixing... sacking and hoisting of grain... all the many chores necessary

in providing nourishing food for livestock and poultry. Important, too, is the use of Electricity to drive the pumps... pumps that provide an ever present supply of clean, fresh drinking water.

With the wartime shortage of labor, farmers are depending more and more on Electric energy to assist them. And we're making it our job to provide a constant and plentiful supply of it.

don't waste it!**

SOCIETY EVENTS

WILLING WORKERS ELECT MRS. RUNYARD

Mrs. Nell Runyard, Rock Lake, was elected president of the Willing Workers society at a meeting Oct. 28 in the home of Mrs. Celia Skiff, Peppertown Lake Park.

Lois Laursen, Antioch, is vice-president; Celia Skiff, treasurer; Jessie V. Nevelier, Antioch, secretary.

Minnie Lubeno and Jennie V. Nevelier are on the flower and card committee; Celia Skiff will take the place of Myrtle Horton as chairman of the work committee, assisted by the general membership of the society.

During the past year the Willing Workers donated \$5 to the Lake County Tuberculosis association; \$5 to the Lake County Red Cross; \$5 to the American Legion for its fund to help the veterans at Downey hospital; \$35 to the Kenosha, Wis., and Waukegan, Ill., U. S. O.'s and also contributed for flowers and cards on various occasions.

The society now has 17 members. Quilt blocks were cut and distributed to each member.

A delicious luncheon was served.

The next meeting will be held Nov. 18 in the home of Mrs. Roy Seitz, Bassett, Wis.

MISS IRENE CHINN AND CHICAGO ARE WED

Miss Irene Marion Chinn, daughter of Mrs. Myrtle Stowe, Antioch, and George Louis Stober, son of Dr. and Mrs. A. M. Stober, Chicago, were united in marriage at a quiet ceremony Saturday.

Both the bride and the bridegroom have been employed at the Abbott laboratories, where the latter is a chemist.

The bride is a graduate of Antioch Township High school and the bridegroom of the University of Wisconsin. They are making their home in Waukegan.

"FAMILY AND COMMUNITY" TO BE TOPIC OF HOME BUREAU UNITS

Problems facing families and communities today will be discussed by the various Home Bureau units in Lake county in their November meetings, which will be as follows:

Antioch, at the home of Mrs. R. R. Dewe, Nov. 29; Avon, with Mrs. John L. Hook (date not announced); Grayslake, with Mrs. Walter Sage, Nov. 9; Hickory (hostess not announced), Nov. 19; Lake Region, home of Mrs. W. Hall, Nov. 17.

In addition to the main topic, entitled "The Family in the Community," there will be a minor topic, "At Home in World Affairs."

Members are being asked to bring to the unit meetings suggestions for Christmas gifts.

COUNTY FEDERATION WILL MEET NOV. 15

The Lake County Federation of Women's Clubs will meet in the American Legion home, Waukegan, on Monday, Nov. 15, with the Waukegan club as hostess. The county board meeting will be held at 10:30 a. m. and the general meeting at 11. A meeting of the Waukegan club, which the members of the other clubs in the county are invited to attend, will take place in the afternoon.

"SMORGASBORD" IS SERVED TO CLUB

Mrs. Augusta Carlson entertained the members of the Triple Three pinocchio club at her home Tuesday afternoon, with "smorgasbord" luncheon as a feature. Four tables of cards were arranged, with Mrs. Carlson, Mrs. Kate Hynek and Mrs. Ida Shunneson as holders of high scores. Double pinocchio was held by Mrs. Clara Peterson.

SHOWER HONORS MRS. W. KEULMAN

Mrs. Merrill Cunningham was hostess to the members of her bridge club at a luncheon and a surprise shower honoring Mrs. William Keulman Monday evening.

Those present included Mmes. Alvin Keulman, Willard Schneider, Spencer Miller, George Keulman, William Gray, Jr., Edward Frazier, and Lester Osmond, Jr.

Awards for high score went to Mmes. Frazier, Gray and George Keulman.

FRIEDLE'S ENTERTAIN LOTUS COMMUNITY CLUB AT "HOUSEWARMING"

Members of the Lotus Community club to the number of about 40 enjoyed a "housewarming" and Halloween costume party in Mr. and Mrs. Al Friedle's new home on the west shore of Grass lake last Saturday evening.

BUSINESS WOMEN PLAN YULE PARTY

A pot luck supper and Christmas party will be features of the next meeting to be held by the Antioch Business and Professional Women's club, Monday evening, Dec. 6, in the home of Mrs. Irving Elms.

The work of the state division of child welfare was interestingly described by Miss Rosemary Karr of that department at a meeting held by the club Monday evening in the Antioch Grade school.

After the meeting, tea was served by a committee that included Mmes. Robert Runyard, Ray Cobb and Thomas Killoran.

NEW MINISTER AT SALEM AND WILMOT

The Rev. Stanford Strosahl has been announced as the new minister of the Salem and Wilmette Methodist churches.

He succeeds the Rev. Alfred E. Atwood, who has ably served the Salem parish during the past two years and was instrumental in organizing the Methodist services at Wilmette.

The new pastor will enter on his duties Sunday.

IMPROPTU ANNIVERSARY OBSENVANCE IS FEATURE OF "OLD TIME" PARTY

TEACHERS HEAR TALK ON "TESTS"

Lake Shore Unit Two Teachers' division of the Illinois Educational Association held its first meeting of the year in the Antioch Grade school Tuesday evening with T. A. Birkhead, principal of Antioch Township High school, as speaker. Mr. Birkhead gave an interesting talk on "Tests and Testing Programs."

CHRISTMAS STORIES TO BE REVIEWED FOR GRADE P. T. A. MEETING

Children's Christmas stories will be the subject of book reviews to be given by Mrs. W. C. Petty at a meeting of the Antioch Grade School Parent Teacher Association in the schoolhouse Monday evening, Nov. 8, at 8 o'clock.

A social hour will follow the business meeting and program, with Mrs. Arthur Lubkeman and Mrs. Emil Lubkeman as co-hostesses.

CHILDREN'S STORY HOURS CONTINUE

The Children's story hour at Antioch Township Library will continue to be held Saturday afternoons at 2 o'clock, the library staff announces. All children interested are welcome to attend.

YOUNG PEOPLE HOLD HAYRIDE PARTY

Young people of the Antioch Methodist church and their friends to the number of 50 enjoyed a hayrack ride and old-fashioned Halloween party Saturday evening.

Cal Harder acted as driver for the group, which was chaperoned by the Rev. and Mrs. W. C. Henslee, Mr. and Mrs. Frank Spangard and four members of the Antioch High school teaching staff.

The group met at the church at 8 o'clock and left in one huge hayrack load for the McAlister Irving place on Route 173, where sandwiches, pumpkin pie, cokes and Halloween games were enjoyed in the big barn. The return trip was made by way of Hickory Corners and the State Line road.

Mrs. Frank Wieczorek and daughter, Jackie, spent the weekend with Mr. and Mrs. Al Smernoff, Evanston, Ill.

Mr. and Mrs. Sheridan Burnette visited Mr. and Mrs. Lew Burke at Whitewater, Wis., Monday.

Mr. and Mrs. D. A. McDonald of Chicago spent the weekend with Mr. and Mrs. William J. Meyer at Grass Lake.

Mr. and Mrs. Jacob Fish and son, Jimmie, were callers at the Sacerdant Burnette home Saturday evening.

St. Mary's Guild of St. Ignatius' church will hold a festival card party at the Guild hall Wednesday evening, Nov. 17. Bridge, five hundred and pinocchio.

R. N. Klass of Cedar Rapids, Ia., was a guest of Mr. and Mrs. Otto S. Klass and family during the weekend.

Personals

W. C. Petty, who was ill at Victory Memorial hospital recently with a facial infection, is greatly improved.

Members of the Antioch Eastern Star Past Matrons' club will meet this evening in the home of Mrs. C. E. Hennings.

The Eastern Star Officers' club met in the home of Mrs. Selma Trierger Friday evening, with Mrs. Esther Wilton as co-hostess.

Harry Krueger, Jr., of Linden lane, Channel Lake, is enrolled in a commercial course at Northwestern University, Evanston.

Grass Lake P. T. A. card party Saturday evening, Nov. 6, 8 p. m., in the school-house. Cards, including pinocchio and five hundred, and bunco. Refreshments.

Card of Thanks

I wish to thank the members of the Antioch fire department for their prompt response and their efficient work in extinguishing a brush fire at our place last Friday afternoon.

Mrs. Clara Todd.

Keep Iron Clean

Be sure your iron is clean when you store it. If there are starch spots on the sole plate, try removing them with a cloth wrung from soap-suds or a very mild scouring powder such as whiting or silver polish. Finish cleaning by wiping the iron with a cloth wrung from clear water and polish with a dry cloth.

Corn Storage

Corn stored while too immature is likely to become sour and unpalatable in addition to representing a sacrifice in yield. If too ripe, water should be added to prevent molding.

LAKE VILLA

Lake Villa Community Church Methodist, Rev. John DeVries, Pastor Sunday School—10 A. M.

Worship Service—11 A. M.

Young People's Service—7:30 P. M. Rev. DeVries has announced the topic, "When Jesus Speaks," as basis of his sermon for the worship service next Sunday morning. The young people's group is well organized and will consider the subject, "Facing Life's Problems" as the discussion topic for next Sunday evening. Young folks of high school age are especially invited to have a part in these meetings.

The Sunday School board will hold a meeting Friday evening at the Charles Hamlin home.

Mrs. Leo Barnstable and Edna Jean were Chicago visitors Monday last week.

First Sgt. Kenneth Blumenschein of the Medical corps at a California camp spent a ten day furlough with his parents here, returning Nov. 4. He visited his brother, Gordon Blumenschein and family at South Bend, Ind., on Tuesday last week.

Mr. and Mrs. Clare Sherwood left last week for Florida to look after business interests and expect to be gone a few months.

Mrs. Beatrice Sherwood of Round Lake called on friends here last Friday.

Mrs. Peterson of Waukegan visited her daughter, Mrs. Brumfield, last week.

Mrs. Cecile Blumenschein entertained the officers of Cedar Lake Camp, R. N. A., at a luncheon at her home last Thursday, and following the luncheon, the ladies enjoyed bingo games.

Walter Rudin, who lives at Monaville, spent a few days last week in the hospital because of an accident to his eyes but was able to return home last Thursday much improved.

SEQUOIT NEWS

Edited by Students of Antioch Township High School

IMPORTANT DATES TO BE REMEMBERED

November 18 and 19 are the dates of the Junior play to be given here at Antioch Township High School.

It is a mystery play this year and is packed full of thrills and adventure. "Mystery at Midnight" is the title. November 18 and 19 (that's on Thursday and Friday nights) are the dates, 8:00 p. m. is the time, so come one, come all.

BETWEEN BELLS

Because so many students were having so much trouble getting to class on time, a new program has been set up which it is thought will take care of this problem.

The system has been so far this year, five minutes were given between the morning classes and three minutes between the afternoon classes.

The new plan calls for four minutes between all classes.

To help those students who still find it hard to get to class on time, a period of ten minutes for every tardy class will be required to be made up after school.

POLOMEE POTTERS

Last week we (the students of A. T. H. S.) were entertained in a program given by the Polomeme Potters. This program was one of both education and entertainment, and with the demonstration was a lecture.

Included in this program were such things as the following: Whirling vase on wheel. Historical pottery writing in clay. Whirling vase of different form. Technique of potter's wheel. Ceramic sculpturing. Methods in molding, etc.

In this program we learned about the many different kinds of clay and how they were used. To show us how the different kinds of clay differed, these potters showed us 44 small vases that were made up of clay from 44 different states. This proved to be a very interesting finish to a most instructive program.

STUDENTS BACK TEAM

Win, lose or draw, the students of Antioch have backed the team 100% this year, as in years past.

As most of you know we have had rather a bad year as far as winning but there has been a winning spirit among both the team and the students as was very well seen in the last few games.

The games that were played were as follows:

	We	- They
McHenry - here	0	45
Warren - here	6	45
Barrington - away	0	37
Bensenville - here	7	14
Grant - away	13	27
Northbrook - here	6	38
(homecoming)	6	20
Palatine - away	6	20

The new pupil in school is Bernice Rambow.

Mrs. Hamlin gave a Halloween party for the first grade.

Parents are invited to visit school during the week of Sept. 8-13 which is Education Week. On Wednesday of that week there will be a program at 2:00 o'clock with a tea following.

WEEKLY NEWS ANALYSIS

Tax Body Asks Higher Postal Rates; Coal Miners Offered New Pay Boost; Nazis Strengthen Defenses in Italy As Allied Forces Gather in Corsica

(EDITOR'S NOTE: When opinions are expressed in these columns, they are those of Western Newspaper Union's news analysis and not necessarily of this newspaper.)

Released by Western Newspaper Union.

Labor leaders who conferred with President Roosevelt on wages and prices included, from left to right in front row, William Green, AFL president; A. F. Whitney; Mrs. Anna Rosenberg, social security board; Philip Murray, CIO president, and Julius Emspak. Back row from left to right: George Meany, Daniel Tobin and R. J. Thomas.

ITALY:
Dig In

With the Nazis solidly entrenched in the mountains running across Italy 100 miles south of Rome, there were reports that Gen. Dwight Eisenhower was assembling forces in Corsica, possibly for a landing at the Germans' rear, in northern Italy, or on the French Riviera.

The mountains in which the Germans dug in form a double ridge and rise to heights of 2,500 feet along the sector occupied by Lieut. Gen. Mark Clark's Fifth army. Because most positions blend well into the landscape and the heights are rugged, experts saw little use of airplanes to bomb defenses effectively or armored formations to break up concentrations.

The continuing flow of German reinforcements in northern Italy indicated that the Nazis intend to pin down the greater bulk of the Allied armies in that country, and make it the principal battleground of Europe.

HAWAII:

Commander in Contempt

When the army's commander refused to produce two German-American citizens in court and show cause why the army should continue to hold them on precautionary grounds, Federal Judge Delbert E. Metzger charged the commander with contempt and fined him \$5,000. But when Judge Metzger learned that the army had released the two citizens, he dismissed the order to produce them, and cut the commander's fine to \$100. However, he refused to dismiss the contempt charge entirely.

Under martial law in Hawaii, the writ of habeas corpus, requiring authorities to show cause why a suspect should be held, had been restricted to use in certain civil cases, although Judge Metzger had demanded its full application. At present, habeas corpus stands suspended in military cases, but can be utilized in strictly civil suits.

LABOR:

Raise for Miners

Trimming the United Mine Workers' proposal for a \$1.50 daily wage raise with compensation for underground travel time, the War Labor board offered John L. Lewis, UMW a \$1.12½ boost.

Under the WLB offer, miners would not be paid for underground travel, but would receive time and a half for 45 minutes of work over the regular 7-hour day. According to the WLB, the miners' earnings would increase \$1.06 daily for a six-day, 8½ hour day.

Meanwhile leaders of 20 railroad unions were preparing a strike vote among their 1,350,000 members, to decide on a walkout over dissatisfaction of the government's award of wage increases of four cents an hour for the operating unions, and Economic Stabilization Director Fred Vinson's refusal to grant the non-operating unions an eight cents an hour boost.

HIGHLIGHTS . . . in the week's news

TAXES: The excess profits tax on corporations will be increased to 95 per cent from the present rate of 90 per cent, Representative Knutson, minority leader, predicts.

MECHANICS: A critical shortage of automobile mechanics is announced by the Office of Defense Transportation. Training courses in this work are now in progress in 72 cities.

WHISKEY: An increase of 30 cents a quart, and 26 cents a "fifth," has been authorized by the Office of Price Administration. It applies to blended whiskey containing imported neutral spirits.

UNDERWEAR: A shortage of underwear is impending, says Roy Cheney, president of the Underwear Institute. He blames lack of factory workers.

SOUTHWEST PACIFIC:

Work on Jap Bases

Continuing to blast at Japanese outposts impeding further U. S. advances in the Southwest Pacific, American airmen returned to Rabaul and Kahili and showered the two big enemy air and sea bases with hundreds of tons of bombs.

As a result of persistent U. S. bombing, it was reported that the Japs have been making little use of their air fields of Kahili in the Solomons. Once the center for enemy craft harassing U. S. positions in the southern Solomons, Kahili has shown little life as American airmen swept over to plaster runways and installations.

Heavily screened by fighters, nearly 50 four-motored Liberators spearheaded the latest blast at Rabaul, which has served the Japanese as feeder point for supplies for their troops battling in New Guinea and the Solomons. As a result of recent raids, it was reported more than 600 enemy planes were knocked out.

PEACE PLANS:

Debated in Senate

In the hush of the historic old senate chamber, silver-haired Senator Tom Connally (Texas) arose to his feet in his long black coat. Glancing slowly about, he began to read the foreign relations committee's resolution defining the principle of America's co-operation with other nations for preserving peace in the postwar world.

"... The United States acting through its constitutional processes, join with free and sovereign nations in the establishment and maintenance of international authority with power to prevent aggression and to preserve the peace of the world."

When Connally sat down the senate opened debate on accepting the resolution. Some senators charged the measure invited U. S. formation of an alliance with individual countries for action against threatening powers, and they demanded adoption of a broader resolution calling on the U. S. to join a world organization which could enforce peace through use of military police.

BLOOD FLOWS BACKWARD

Although three-month-old Marilyn Stewart's heart is so constructed that the blood circulates backward, she has been faring well.

Pictured above in her mother's arms, tiny Marilyn's case has baffled doctors, who say that her condition is contrary to the ordinary structure of life.

FUEL:

Would Take Dads Last

Moving to draft dads last, congress passed a bill which would require Selective Service to induct all single and childless married men throughout the entire country first before fathers would be called by any board.

Incorporated in the same bill which went to the senate for consideration were provisions which would:

1. Eliminate the War Manpower commission's classification of "essential" industries offering temporary deferment;
2. Require all deferments to be reviewed by appeals boards within the district where the employee works;
3. Establish a medical commission to consider change of army and navy physical standards.

'HELLCAT':

Navy's Newest

Latest American plane to sweep the Japanese before it in Southwest Pacific skies is the navy's Grumman Hellcat fighter plane.

Powered by a 2,000 h.p. motor, the Hellcat travels over 400 m.p.h., can climb to 35,000 feet and has a range of over 1,500 miles.

With a wingspan of 42 feet, 10 inches and an overall length of 33 feet, 6½ inches, the Hellcat is a single seat, low wing, all metal, folding wing monoplane, designed to operate from an aircraft carrier or land.

VETS:

Offer Job Training

Vocational training for veterans of the present war who may be unable to find employment when they return, will be provided at government expense, the Veterans' administration announces.

Courses up to four years will be given, and increased pensions will be paid while the ex-serviceman is in school. A single man will receive \$30 a month, a married man \$30 and \$5 for each dependent child.

How much does it cost to bomb Berlin?

SUPPOSE, in the dusk of an English evening, 1,000 huge bombers soar over the Channel and head for Berlin.

By the time those planes return to England, their motors will have consumed 2,400,000 gallons of gasoline!

The cost . . . of the gasoline ALONE . . . will be more than \$380,000.

To pay for the gasoline used on ONE such raid, 96,000 Americans would have to invest at least 10 percent of their next pay check in War Bonds!

You get a big kick out of reading about those 1,000-plane raids. You know that such raids, if repeated often enough, will soften up the Axis. But . . .

What are YOU doing to help *pay the cost* of those raids? (In addition to the gasoline they use, it costs Uncle Sam TWO HUNDRED MILLION DOLLARS to build 1,000 4-motored bombers . . . plus the cost of training the 10,000 men who make up their crews!)

Modern war is expensive business . . . its cost runs into fantastic figures. 30,000,000 American wage earners are now putting an average of 10 percent of each pay check into War Bonds every pay day . . . but still *it isn't enough!*

Our air raids on the Axis are increasing in frequency and intensity. When land operations really get going, the cost will be staggering.

More and more Americans must join the Pay-Roll Savings Plan . . . more than those already in the Pay-Roll Savings Plan must begin to jack up their War Bond purchases . . . must start to invest more than 10 percent!

Remember . . . War Bonds are the finest investment in the world today. You get back \$4 for every \$3 you invest. And . . . the more War Bonds you buy now, the quicker the Axis will be licked . . . and the less the war will cost in the long run.

Think it over. And every time you're tempted to put a nickel in something you don't absolutely need—put it in War Bonds instead!

KEEP ON BACKING THE ATTACK!
